

Our Mission

The Greater Kansas City Women's Political Caucus (GKCWPC), an affiliate of the National Women's Political Caucus, is a bipartisan, multicultural, grass roots organization dedicated to increasing women's participation in politics and creating a power base designed to achieve equality for all women.

Because of its unique position, straddling the Missouri and Kansas state line, the GKCWPC is the membership organization for the greater metropolitan area, and also performs the screening for statewide and local Kansas candidates.

What We Do

- Get progressive women elected and appointed to public office.
- Screen, endorse and provide financial support to state and local candidates.
- Train potential candidates and campaign volunteers.
- Recruit volunteers to go door-to-door, do mailings, and phoning for individual candidates.
- Hold educational forums on NWPC legislative issues.
- Provide educational programs on getting involved in the political process.
- Lobby cooperatively with other organizations in Jefferson City and Topeka.
