**You can use your own paper to respond to the question. Please number your responses accordingly.**

1. Describe your position on a woman's right to access medically safe, legal abortion as set forth by the U.S. Supreme Court in its Roe v. Wade decision.
  
  
  
  
  
  
  
  
  
  
2. Would you support any further restrictions on abortion clinics, physicians, and access in Kansas/Missouri?
  
  
  
  
  
  
  
  
  
  
3. Do you support public funding for family planning services? If yes, would you oppose legislation preventing state family planning funding from going to providers that offer referrals for abortions or who use separate funds to provide abortion procedures?
